

**PROPHETIC WORD: SATURDAY, AUGUST 14, 2010**

**INSTRUCTIONS FROM THE LORD**

**Rev. Dr. Winston Watson**

**August 14, 7am**

Seven days of prayer is what I have called  
30 days was the foundation, 7 days will continue your preparation

For seven days I have called for you pray  
and every other month is the supply to stay

Each month I will give you the plan  
for the strategic move of my hand

This coming September is the first seven days to start  
And you will touch in this season the depth of my heart

Then every other month from that time you set  
A season of prayer my purpose and plan to get

For the next months in this year  
Great moves of my spirit will appear

The vision that your member has declared  
Is only a simple sign into the spiritual sphere

Every weapon being formed against my plan  
Will my power and purpose withstand.

So move as I declare this thing to you  
And run for I am forever true

Hear the heart cry of your native land  
And on my word grow and take your stand.
