

**PASTOR DEAN BROWN, SUNDAY, DECEMBER 7, 2003 (11AM Service)**

God placed that dream in you. And that dream is designed to bear fruit and produce. And if you do not allow it to produce in your life then that dream will find a person to produce itself in. But it will produce. Some of you have not stepped out in the thing that God has put on your heart because you have allowed fear and doubt to hinder you. You have said things like "it's risky." But just think for a moment, just think for a moment. Jesus had to trust that after He was separated from God and dies, He had to trust that He would be raised up from the dead.

The three Hebrew boys had to be confident to trust that even if they died in the fire, they would still go to be with God. There is no promise in the Word that tells you that the thing that the Word tells you to do that there won't be a risk on your part. But that's where faith comes in. The mere fact that there is risk just indicates that the thing is beyond your ability to produce. But faith recognizes that God is able to bring fruit out of the thing that He has placed in you.

So saturate your heart on the Word. Go to the source of the dream, the vision, the thing that has been placed in you. Saturate your heart on the Word. For in doing that, you will find that you will build yourself up through faith. And even though you find yourself facing a troop you will not be afraid. You will run through the troop and come out on the other side in victory. For it is so ordained of the Lord for those who will walk after and trust in His plan by faith. Open up your heart. Be willing in your spirit. Be willing in your mind. To do the thing that God has ordained. Be not afraid. Only believe. For in so doing you shall receive.

So trust in the Word. Trust in the Word for it is written, "that it shall not return void unto the Father." No it shall not return unto me void, saith the Spirit of Grace. NO. NO. It shall do the thing I sent it to do. It shall perform the thing I sent it to perform.

Let me give you one added assurance, from my own word saith the Lord. I have also said that I am able and that I will do exceedingly, abundantly above all that you ask or think. So whatever you can see yourself with (laughter) I can exceed it and will. (laughter)

Whatever, whatever, whatever, whatever, whatever you may ask me for I can produce it and then more than that. You say why? That's because I live in a realm and exist in a realm without limitations. (Laughter) So when I produce says the Spirit of Grace, I produce from that realm. A realm without limitations. It's been said, "take the limits off of God." But in truth, take the limits off yourself. Because there is no limit on me. It is not what I am able to produce; it is really what you are able to receive. (laughter and tongues)

Let me point one other thing out to you. In my Word (laughter) it is written that I am a God of miracles. But I want to point out to you – *that to you what I do is a miracle* – but to me it's just normal. (laughter) To you and me it's a miracle, but to Him it's just normal (tongues).

Yeah, yeah, it is simply normal. It is simply normal. And you say why is it normal to me? Because where I am it already is. You see I don't see it as a thing to come. I see it as a something that is. (Tongues) It is normal. It is Normal. To me it is normal. Thank you father ... I heard the Spirit of the Lord further say that producing for Him is as normal a process as breathing is to you and to me. It's normal, It's normal. Father, thank you. Thank you (tongues).

Be at peace, rest, have no care. For it is established. That which I have decreed. Even before the foundation of this world. It is settled. It is established. It is so. You don't have to produce it. You simple have to believe and receive it. It is mine to perform and mine to do and yours to receive. So be settled. Be at rest. Be at peace. I'll even say this to you says the Spirit of Grace, go to sleep. Go to sleep. Go to sleep. Go to sleep. Because as you have believed you will receive. It is settled. It is settled. It is settled. Thank you Lord. Thank you Jesus. Glory to God.
